

The image features a dark green background with a subtle, large-scale geometric pattern of intersecting diagonal lines. A decorative border in a light gold or yellow color frames the entire content. This border consists of a thin outer line and a more complex inner line that forms a stepped, architectural frame. At each of the four corners, there is a small square element, and along the top and bottom edges, there are horizontal bars with small rectangular notches in the center.

Superior to Angels

Hebrews 1:4-14

**The book of Hebrews urges
our perseverance in our race
by showing us that Jesus is
more valuable, more sufficient,
and more beautiful than
anything this world could offer,
and is, therefore, worthy of our
fullest confidence to the end**

Main Idea

**Jesus is far superior to
angels because He is
God's Son and the
rightful heir to the throne**

1. Superior Position

2. Superior Worship
